MEMORANDUM OF CONVERSATION

Willkie Donelson phoned today to indicate that five (5) copies of the Federal Mapping Task Force Report went out to the DCI today under a covering memorandum with the following TCS No. -- 36732/73.

Replies are desired by 1 October 1973.

Willkie indicates that his draft memo was altered from requesting comments on the DCI's plan for implementing those recommendations with which he agreed to requesting the DCI to respond to all recommendations. Willkie says that this change indicates expectation of a favorable response to all recommendations.
